## HAPPY HALF TERM

**Parent Event:** Thank you to everyone who joined us for our parent and carers event. It was lovely to see so many of you attend.

**Kindness Week:** We celebrated Kindness Week in conjunction with Valentine's Day. We organised several special activities that were incorporated into the regular class day. Throughout the week, children decorated wooden hearts, enjoyed a relaxing self-care day, performed thoughtful acts of kindness for friends, participated in music and movement sessions, and created special gifts to share with other classes. It was wonderful to see everyone embrace the spirit of kindness and joy!

**Signing Choir:** In Signing Choir this term we worked on "Unstoppable", which featured a number of signs for our staff and children to practise. We kept things upbeat with a mash-up of "Keep Movin' On" and "Ain't No Mountain High Enough", and we started our Valentine's song "It Must Be Love"! If you would like to practise these at home, we used the Singing Hands videos on YouTube to support our children, and you could find a copy of our "It Must Be Love" video on our website. Happy Signing!

**Sign of the Week:** This week's signs were 'love' and 'heart'. You could find these signs at: Parents/carers/Makaton/sign of the week.

**Internet Safety Day:** On February 11th, we celebrated Internet Safety Day, a crucial event dedicated to promoting safer and more responsible use of online technology. Below is a poster designed to help children stay safe online. For parents, ensuring a secure online environment for your children is essential. You can find helpful information on setting up parental controls here: <https://support.apple.com/en-gb/105121> or Google: parental controls on your child's ipad or android device.

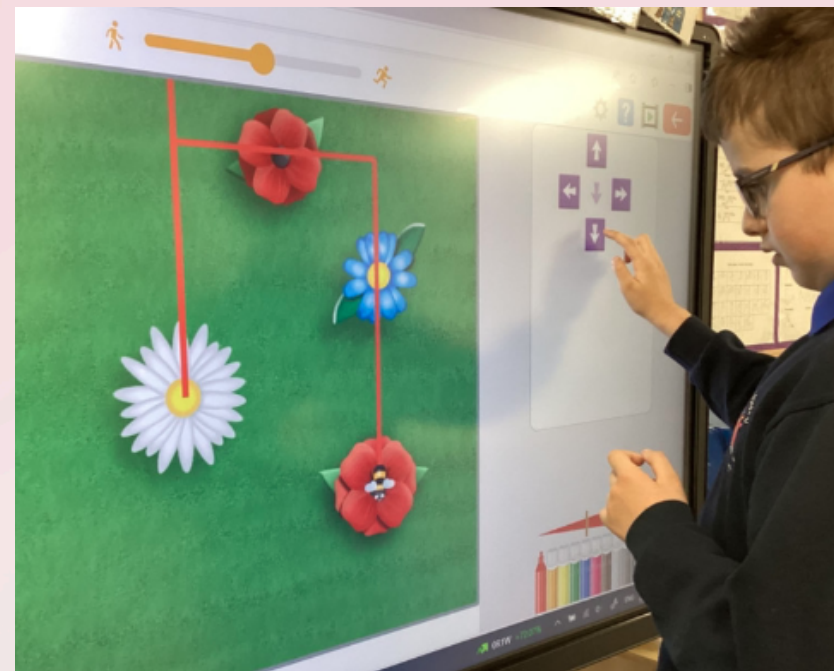

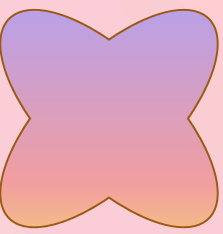

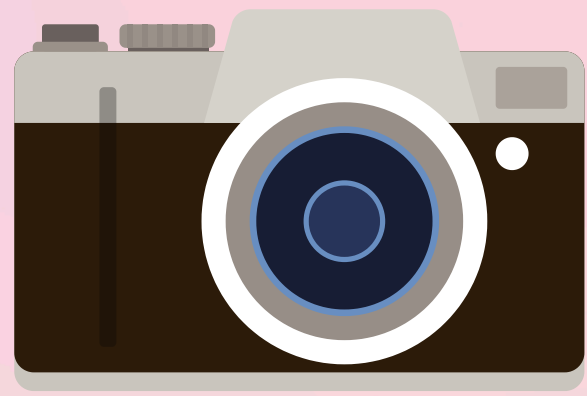

We wish everyone a wonderful half-term break!

Helen Smith

### IMPORTANT DIARY DATES:
